

CT01M

COLTELLI PER TESTE IN HSS - 18%W 18%W HSS KNIVES

MISURE STANDARD STANDARD SIZES

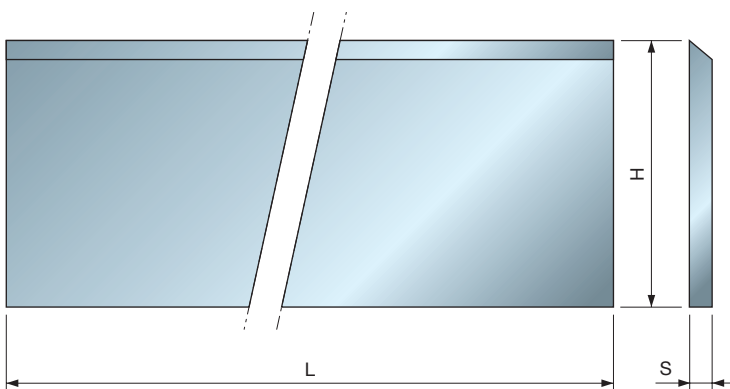

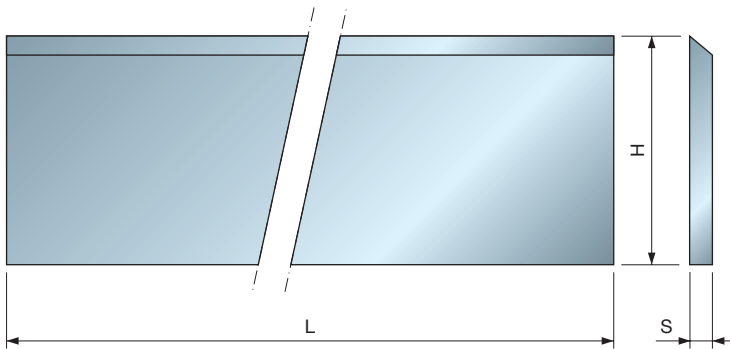

- > I coltelli sono forniti in confezioni da 2 pezzi.
Per ottenere la massima equilibratura, date le tolleranze, è opportuno montare sul pialletto i coltelli della stessa coppia uno opposto all'altro.
- > The knives are supplied in packaging containing 2 pieces.
To obtain correct balancing, we suggest fitting the knives in opposite direction of cutterhead.
